Dear Ian,

First of all let me thank you for your wonderful performance at our Convention in Manhattan Beach. Your one man show, "From Wharf Rats to Lords of the Docks" exceeded all of our expectations. We were very lucky to have you perform your play for us.

The history of Unionism is something that most of our members know nothing about. The fact that they had the chance to see a play about Harry Bridges the founder of the Longshoreman's Union was an excellent opportunity for them. They were able to get a sense of what it took to make unions work in the early part of this century.

I would recommend you to anyone looking for an exceptional performance piece on Harry Bridges. Your emotional depth and feeling for your part made the experience unforgettable.

Thank you, once again Ian, for a tremendous performance. If there is anything our Local can do for you please do not hesitate to call on us.

Sincerely,

Teri Hart
